WELCOME TO THE NORTH END BUSINESS ASSOCIATION!

The North End Business Association is a one of eight Business Improvement Districts in Halifax. Established in 2011, NEBA is the most recently formed BID.

WHAT IS A BID?

A Business Improvement District (BID) is a special assessment district where business people join together to promote and improve the economic vitality of the area. The establishment of a BID provides a unique opportunity for business owners, and commercial property owners, to promote their mutual goals of creating safe, attractive, and interesting commercial place aimed at stimulating business.

HOW IS A BID FUNDED?

BIDs are supported by an area rate levied on the commercial land owners in the BID catchment area. This levy is enabled by Section 70 of the Halifax Regional Municipality Charter (2008) for services related to beautification, marketing, public parking, and economic development. The area rate for NEBA is$0.18/$100 of assessment, with a minimum levy of $450 and a maximum levy of $10,000. The area rate is approved every year at the Annual General Meeting and is collected through HRM and then transferred to the Association.

WHO ARE OUR MEMBERS?

NEBA has approximately 250 commercial properties and 350 businesses. All commercial property owners and business owners leasing or renting commercial space with the BID boundaries are automatically members of the association.

NEBA has a non-voting Associate Membership option to businesses located within the Associate Membership boundary. The intent of the Associate Membership is to enable home-based businesses and businesses immediately adjacent to the BID area to join NEBA and become active members of the local business community organization. Associate Memberships will be renewed on an annual basis.

BUSINESS ASSOCIATION

ASSOCIATION INFORMATION

NEBA BOARD

Board elections take place every year at the AGM. Non-executive board terms are two year terms, with the option to re-offer for an additional two year term. Executive positions are two years, with option to renew up to 4 years. NEBA tries to ensure there is continuity between board cycles, with a mixture of existing and new board members.

CURRENT BOARD
